IMPACT REPORT  
2025/26

If I were to think of one word to describe the last year for our ministry, it would be provision.

Over the last year, it has been awe-inspiring to witness what God is doing through you.

I'm reminded of a time five years ago. As a ministry, we had gone through significant changes. To accompany that change, a truly audacious goal was set. There was a dream to unleash 100,000 believers with the training and Scripture resources they needed to share the gospel—and to do it within five years.

At the time, the goal felt daunting. In hindsight—after seeing God move—it seems quaint.

This year alone, nearly 90,000 believers were unleashed to share the gospel. But God's provision didn't end there. In a time of financial uncertainty, God also provided our biggest fundraising year ever.

It's truly remarkable to see all that God is doing through you and believers like you around the world.

I encourage you to dig into the pages of this year's Corporate Impact Report to discover more details and stories of the lives changed by your ministry.

Then, join me in praising God for His remarkable provision, asking Him to do it again.

**Together, we can T.E.L.L. the world..**

# T.E.L.L. the World: Train

As iron sharpens iron, so a friend sharpens a friend.”

—Proverbs 27:17

How do you tell the world? It starts simply enough. You train believers.

Train people to share what they've been given. Train them to get out of the pews. Train them to be world changers.

Through Grid Events, everyday believers are unleashed with the skills they need to share their story and introduce people to Jesus.

“Before the training...I was a little stagnant...and then taking the training, I just really was encouraged with the urgency of going out and sharing the gospel,” said Orchid, a woman who attended a Grid Event in Florida.

“I didn't walk out with just saying, ‘Oh, that was another training.’ I walked out with saying, ‘Oh, I need to do something. I need to exercise what I've just learned because what I've learned is so good.’”

# T.E.L.L. the World: Equip

A final word: Be strong in the Lord and in his mighty power. Put on all of God's armor so that you will be able to stand firm against all strategies of the devil. "

—Ephesians 6:10-11

What happens when believers are equipped with training and Scripture to share the Good News? People hear the gospel, and their lives like Chisomo's change forever!

Chisomo was like so many in Malawi. She called herself a Christian because that was the thing to do. But her relationship with God was based on vague memories of Scriptures she half-remembered a pastor preaching on the Sundays she happened to show up at church. It was built on sand.

So, when believers in her community were equipped with training AND Scriptures, and met her where she was, it was like an oasis in the desert.

As they shared their testimony, and opened up Scripture, showing her the words of God, suddenly a relationship with Jesus was what she craved.

Chisomo received her own copy of Scripture with excitement and immediately began turning through the pages. Inspired by what she read, and the testimonies of those who had shared Jesus with her, Chisomo made the decision to give her life to Jesus that day.

Thanks to your support, believers around the world were able to share Scriptures like Bibles and *Spark* and *Hope* magazines with 1,682,671 people.

# Something new is coming...

You may notice a difference over the next year in the way we communicate what God is doing through your ministry.

Instead of hearing about what God is doing in individual countries, reporting will focus more on different missions that span the globe. You can check out some of these global causes below...

## **Hard to Reach**

Reaching people in areas that are either difficult to get to, difficult to supply, or have been historically difficult to reach with the gospel, including indigenous and isolated communities.

## **Next Generation**

Campaigns that not only share the gospel with young people but unleash them to share it with their friends and peers!

## **Persecuted Church**

Helping believers share the gospel in some of the darkest spiritual places in the world. Including places known for violent opposition to the gospel.

## **Displaced People**

Around the world, war, famine, natural disasters, and religious persecution have driven over 100 million people from their homes. Your support brings the hope of the gospel to them.

## **Heart of Service**

Sharing the gospel and copies of Scripture with the people who are on the front lines serving society: nurses, police, first responders, and prison guards.

## **Your Grid**

Gospel ministry doesn't start 'over there'. It starts in your own backyard. By unleashing every Christian with the knowledge, confidence, and resources to effectively share their faith, together, we can change our communities with the gospel!

# T.E.L.L. the World: Launch

“ I have been given all authority in heaven and on earth. Therefore, go and make disciples of all the nations.”

—Matthew 28:18-19

“I’ve always been (if I’m being truthful), an undercover Christian, if that makes sense,” said Gary after attending a GO Trip.

Gary had always believed he should share the gospel, he just had never been equipped to do it. But that completely changed when he took a leap of faith and attended a Gospel Outreach (GO) Trip to Peru.

“Was I prepared for what I witnessed? No. Could any training prepare you for what you were going to witness and experience in that week? No. No training whatsoever. Could any words describe to somebody what you’d experience in that short week? No, you can’t. The only way of doing this is to experience it,” he said.

“Just to witness what God’s doing out there, that just blew me away. It just blew me away. It really, really did. You felt like you were making a difference. Just changing the world one step at a time.”

Thanks to your support, believers like Gary have been LAUNCHED to share the gospel with 837,446 people last year!

# T.E.L.L. the World: Local Church

“Together, we are his house, built on the foundation of the apostles and the prophets. And the cornerstone is Christ Jesus himself.”

—Ephesians 2:20

The Maranhão region is one of the largest Spiritism hubs in all of Brazil. And for years it was the subject of Pastor Joel's prayers.

For years, this pastor had prayed for the region—desperate to see God work in a place that was 2,500 km from his home in São Paulo—but unsure of how that could happen.

Until ShareWord Global provided *Faísca (Spark)* and *Esperança (Hope)* magazines, as well as the training local churches would need to use these tools to reach their communities with the gospel.

With this support, Joel was inspired to make the 2,500 km trek and join a partnership of cross denominational churches for a 50-day campaign in the region that saw over 3,000 people hear the gospel and receive Scripture!

That's the power of local church partnership. A task that seemed impossible, and a dream that was years in the making, were fulfilled, and 3,000 people heard the Good News!

Last year, your support helped 12,537 partner churches and launched 11 GO Trips.

“A person standing alone can be attacked and defeated, but two can stand back-to-back and conquer. Three are even better, for a triple-braided cord is not easily broken.”
