Together we can tell the world

## IMPACT REPORT 2024/25

Welcome to the 2024/2025 ShareWord Global Impact Report. In this report you will find some of the highlights and achievements your ministry has had over the past year. I was encouraged to see how God used the ministry to bring many organizations, churches, and donors together to focus on sharing the gospel.

While we may be a relatively small organization, we are reaching well beyond our capacity. Our vision—to share the gospel until the Good News that was shared with us is shared with all—is being realized.

I was particularly interested to see the number of Christians mobilized and the number of gospel presentations they caused. This means people are hearing the gospel and responding in faith. These stories of faith are stories of transformed lives, individuals experiencing new beginnings, and being filled with hope, love, joy, peace, and so much more.

While the statistics may feel impressive—and they are—we cannot take credit. We are seeing what God has done through our ministry, despite our human frailty and weakness. What we can do is praise God and pray for His continued protection and blessing upon our ministry.

# FILL THE GAP: In Their Hands

“For the word of God is alive and powerful. It is sharper than the sharpest two-edged sword, cutting between soul and spirit, between joint and marrow. It exposes our innermost thoughts and desires.”

—Hebrews 4:12

Abigail was devoted to God's Word.

Ever since someone from ShareWord Global came to her classroom, shared the gospel with her—and left her with her own Bible, she could not put it down.

She carried it with her to school. She poured over its words at home. She was so committed to the Word, that her mom, who was not a Christian, started to worry.

“What has my daughter gotten into?” she thought to herself.

Intent on finding fault in her daughter's new beliefs, she started attending the church—the church that had shared the Bible with her daughter.

After two months of trying to find anything she could accuse the church of, Abigail's mom came to a different conviction: What they were saying was the truth!

Instead of pulling her daughter away from the church, she confessed faith in Jesus and now both Abigail and her mom attend regularly.

This is the power of God's Word to transform lives. It can open closed doors and change the hardest of hearts.

# FILL THE GAP: In Their Hearts

“ Yet God has made everything beautiful for its own time.  
He has planted eternity in the human heart...”

—Ecclesiastes 3:11

Chakupewa grew up in a Christian home but had never truly accepted Jesus into her heart.

Instead, she sought to fill that gap with other things. She entered a relationship with a married man, eventually becoming his wife and following him into a local traditional cult. But neither her new husband nor the cult was able to satisfy.

When her husband died suddenly, Chakupewa felt lost, and fled with her family from their home in Zimbabwe to Malawi.

And the hole in her heart grew.

When still harder times came, she sought refuge in a camp where she met a man she recognized from the cult she had been a part of.

She asked him for help, and while he gave it, through him, she was once again drawn into the emptiness of the cult that had never satisfied her.

So, when she heard about a ShareWord Global Ignite Event in the camp she was interested...and nervous.

“There’s no way they will accept me,” she thought.

Despite her nerves, Chakupewa attended the event. While there, she was struck by the passion for the gospel she saw, and the Good News she heard being spoken by the Christians.

**652,295** Gospel Presentations

The redemptive power of Christ and His message of hope echoed inside her, filling the hole that she had for so long looked to fill on her own.

“This is what I have been missing!” she proclaimed.

Chakupewa made a decision right then and there that would change her life forever. The decision to make Jesus Lord of her life. Now she no longer has to seek comfort, purpose, or validation from others.

The gap in her heart was filled—by Jesus.

## GRID EVANGELISM

Simple, authentic evangelism skills that will engage your heart, head, and hands in your daily routines, as God transforms your habits

# FILL THE GAP: In The Pews

“They worshiped together at the Temple each day, met in homes for the Lord’s Supper, and shared their meals with great joy and generosity—all the while praising God and enjoying the goodwill of all the people. And each day the Lord added to their fellowship those who were being saved.

—Acts 2:46-47

It’s the gap that’s easiest to see. Most of us see it every week.

The empty chairs or pews in churches. The void that represents a soul who has not yet found Christ. It’s a gap every single believer wants to fill.

And over the last year, by walking alongside churches in Canada, the USA, and around the world, you’ve done just that!

“I see this having a tremendous impact. There are well over 150 people here from different churches,” said Mike Kahn, Executive Director of the Tampa Bay Baptist Association during an Ignite Event at the Idlewild Baptist Church.

“The training is so simple, biblical, and interactive, that I think many people will be changed from this day forward.”

This movement is growing in underground house churches in the Middle East, churches in dusty compounds in Africa, remote villages along the Amazon River, and the churches in our communities here in North America. And people are coming to know Jesus because of it.

Please keep all these churches in your prayers, as together, they try to fill the gaps in their pews.

# Until the Good News that was shared with us...

“The Kingdom of Heaven is like a treasure that a man discovered hidden in a field. In his excitement, he hid it again and sold everything he owned to get enough money to buy the field.”

—Matthew 13:44

At just 16 years old Norah is a faithful believer who is passionate about seeing God change people's lives.

There's just one problem.

Norah never felt like she was good enough to be the person who led people to Jesus.

“I thought I needed to know all of the Bible before I could start to share my faith,” she said. “I was afraid of the questions that people would ask me or that they would not want to hear me—as young as I am—to talk to them about God.”

**84,252** Believers Mobilized

**109** Ignite Events

# ...is shared with all!

But after attending an Ignite evangelism training event, Norah's insecurities vanished. She felt unleashed to share her testimony with others and during the outreach portion of the event she led two people to make faith commitments to Christ!

"I got inspired and learned how to relate my story to them and share the gospel of Jesus."

All around the world, believers like Norah are being unleashed to share the Good News, and every day, thousands of people are hearing about Jesus because of it!

# Together, we can tell the world

“Two people are better off than one, for they can help each other succeed. A person standing alone can be attacked and defeated, but two can stand back-to-back and conquer. Three are even better, for a triple-braided cord is not easily broken.”

— Ecclesiastes 4:9, 12

When Jesus sent out His apostles, He sent them out two by two. We believe GOing is better with friends. That's why we are so grateful for all ministries that have chosen to partner with us this year to tell the world about Jesus!
